Aerosols

Aerosols

	2811	3509	3611	3711
Description	 <p>Mar-Hyde® Tal-Strip® Extra Strength Paint Remover is a fast-acting, non-caustic paint and coating remover. Removes enamel, lacquer, epoxy, urethane, varnish, shellac, decals, and gaskets from metal, wood, glass, concrete, stone, brick and ceramic tile.</p>	 <p>Mar-Hyde® One Step™ Rust Converter Primer Sealer chemically reacts to convert rust into a hard, black primer sealer. Apply One-Step™ on rusted surfaces and rust is permanently converted and ready for primer and topcoat.</p>	 <p>Mar-Hyde® Flexible Primer Surfacer - Black Satin™ fills small scratches and pinholes, and may be used as a black satin finish coat.</p>	 <p>Mar-Hyde® Tal-Strip® II Aircraft Coating Remover is especially designed to remove basecoat/clearcoat systems from today's automobiles.</p>
Part Number	2811	3509	3611	3711

	5611	05910	05911	05917
Description	 Mar-Hyde® Tal-Strip® IV Urethane Parts Paint Remover specifically designed to strip paints and coatings from urethane automotive parts without attacking and damaging the urethane substrate. Only available as an aerosol.	 Paintable coating in aerosol can specially formulated to match the medium to coarse texture of factory-applied textured coating on the stone-throw areas of automobiles. VOC compliant in all 50 states.	 For aerosol application over acrylic lacquer top-coats or under acrylic lacquer or enamel color coats. Not to be applied over OEM finishes. Designed to match fine to medium textures on stone throw areas of automobiles.	 Aerosol coating designed to be applied to metal surfaces prior to welding to provide corrosion protection after welding. Dries fast with minimum spatter. Meets MIR requirements.
