

## Extreme Oil and Impact Protection for Upstream Workers

The ActivArmr® 97-120 addresses oilfield workers' top frustrations in the rugged upstream environment – by delivering the best of both safety and comfort. Outstanding mud-oil grip plus cut and impact resistance protects hands in extreme conditions, reducing fatigue and increasing productivity. And specialized oil impermeable technology keeps hands clean and dry – for all-day comfort that helps get the job done.

#### Industries

- Oil & Gas industry

#### Applications

- Connection of pipes
- Disassembly/assembly of motors/ tools
- Handling pipes, bits and other materials
- Reworking tools
- Running cables
- Washing and cleaning tools

#### Performance Profile

##### Characteristics

- Easier handling of tools, increasing safety and reducing fatigue
- Hands stay clean and comfortable when handling wet or oily objects
- Impact protection reduces potential for injury
- 15-gauge liner increases user comfort and dexterity
- High visibility color increases awareness of location of users' hands for safety
- Intercept™ Technology provides cut protection, increasing safety

#### Key Features

##### Feature Icons

Integrated glove feature icons allow for quick identification.

##### High Visibility

Bright orange-colored exterior and reflective logo increases awareness of hand location in low light conditions to keep workers safe and seen.

##### Oil Impermeable Barrier

Repellency from drilling fluids and oils to keep hands clean and improve comfort.

##### Enhanced Oil Grip

Mitigates hand fatigue and injury by addressing the #1 worker frustration for efficiency and safety.

##### Impact Protection

Impact bumpers protect entire back of hand from medium-level impact injury to prevent loss time.
