

Adjustable PVC apron, with protective stomach patch, to guard against chemicals, oils, punctures, and more

- **Specialized protection:** Made with flexible 19 mil die-cut PVC material, the AlphaTec[®] 56-103 protective apron ensures chemical splash protection from acids and bases, and withstands oils, grease, punctures, and abrasion
- **Optimized fit:** With its 48-inch ties and sealed grommets, this white PVC apron is easy to adjust, allowing wearers to achieve fitted comfort
- Enhanced features: This apron is also fitted with an added 18 mil stomach patch, which bolsters wearer protection is critical, high-wear zones
- Improved durability: Its vinyl construction also ensures it is hard-wearing over time, for personal protection that lasts
