56-903 **PVC Coat Aprons**

PRODUCT INFORMATION

Reliable Protection

- Wherever oil, grease and chemicals are present, Ansell coat aprons help workers keep clean and protected
- These aprons come with no exposed elastic or metal parts to cause static or corrosion and offer excellent protection where splashes from acids and caustic bases are a concern

Durable

- The virgin vinyl construction contains no reprocessed materials and is flexible with excellent resistance to punctures, abrasion, chemicals, fats, oils and greases
- Sleeves come with elasticized cuffs for added protection
- Snaps are plastic construction and there are no metal parts to cause static or corrosion

Comfort and Selection

Four sizes with adjustable ties ensure optimal fit for a wide range of users
