## 20-1-10360 XS-X2L Microfiber Performance Glove (Cut/Touch Screen)

- + Cut-resistant lining
- + Slip-on cuff
- + Touchscreen friendly
- + Reflective fingertips
- + Reinforced thumb saddle

## 20-1-10400 XS-X3L Synthetic Leather Performance Glove (Impact/Cut)

- + Synthetic leather palm
- + Cut-resistant aramid lining
- + TPR backhand impact protection
- + Foam padded palm
- + Touchscreen friendly

## 99-1-9632 6-11 Silicone Coated 13 ga. HPPE Glove (Cut)

- + 13 ga. HPPE/steel/glass shell
- + Silicone palm coating w/smooth finish
- + Elastic knit wrist w/hemmed cuff

## 99-1-9630 6-11 Nitrile Coated 13 ga. HPPE Glove (Cut/Needle)

- + 13 ga. Nylon/HPPE/steel wire shell
- + Foam nitrile palm coating w/smooth finish
- + Steel wire/cotton inner palm lining
- + Elastic knit wrist w/hemmed cuff

## 99-9-9625 6-11 Lined Nitrile Coated 13 ga. HPPE Glove (Water/Touch Screen)

- + HPPE shell
- + Nitrile palm coating w/textured finish
- + Acrylic/polyurethane lining
- + Reinforced thumb saddle
- + Breathable inner membrane coating

## 99-1-9793 6-11 Nitrile Coated HPPE Glove (Impact/Touch Screen)

- + HPPE shell
- + Nitrile palm coating w/textured finish
- + TPR backhand impact protection
- + Reinforced thumb saddle
- + Breathable inner membrane coating

## 99-1-9631 6-11 Nitrile Coated 18 ga. HPPE Glove (Cut/Impact)

- + 18 ga. Nylon/HPPE/steel wire shell
- + Nitrile palm coating w/textured finish
- + TPR backhand impact protection
- + Elastic knit wrist w/hemmed cuff

## 99-1-9779 6-11 PU Coated 15 ga. Nylon/Copper Glove (Anti-Static)

- + 15 ga. nylon/copper shell
- + Polyurethane palm coating w/textured finish
- + Elastic knit wrist w/hemmed cuff
- + Anti-static
- + Dust-free fabric

## G3 SOLUTIONS

The G3 Solutions process is designed with hand safety as our top priority. We do this by working as a team with the distributors and end users to find the right solution for your hand and glove safety needs.

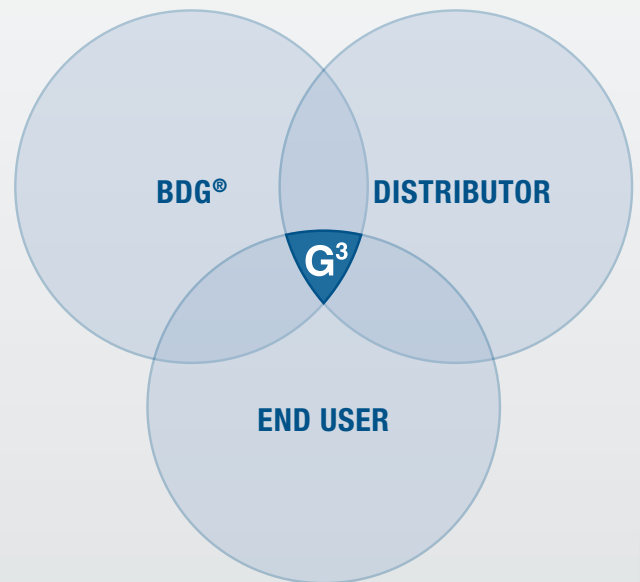

Identifying the right glove for the right task is crucial – BDG will tour your sites to evaluate hand risks and safety needs for each step of your operation. **G3 Solutions** focuses on hand safety, while rationalizing your overall inventory and costs, which in turn is designed to prevent injuries and lost time. We do this by working with your teams to find solutions built through on-site testing by your people. This personal approach allows us to work with you and your distributors to customize a glove program that fits your needs.

### G3 Solutions benefits for the Distributor

- ✓ Rationalization and Inventory Alignment
- ✓ End User review and glove recommendation
- ✓ Training for sales teams
- ✓ Site verifications
- ✓ Streamlined ordering process

### G3 Solutions benefits for the End User

- ✓ Increased communication and understanding of glove capabilities
- ✓ Assessment of site safety needs and glove usage
- ✓ Glove samples based on G3 site safety requirements
- ✓ Worksite testing of gloves
- ✓ Full review and presentation of findings
- ✓ Glove rationalization and customized glove chart
- ✓ Cost rationalization of glove usage

Established in 1981, Bob Dale Gloves and Imports Ltd. (BDG®) is a North American supplier and manufacturer of quality personal protective equipment (PPE) - specializing in industrial and retail safety gloves and apparel. With a focus on workplace safety and product quality, we don't just sell safety gloves and PPE - we create custom solutions grounded in trust and expertise. At Bob Dale Gloves protecting people is our top priority.

### Quality assurance:

BDG products are tested and inspected at various stages of the manufacturing and transportation process. Depending on the category of glove, BDG products are subjected to physical inspections, foreign object detection machinery, laboratory testing and multiple quality control checks. Our pledge is to deliver consistent and safe products to our customers.

### G3 customer solutions:

Finding the right safety solution to protect people is our main goal. Our approach in doing this is to conduct on-site or virtual evaluations of each hazard and task in our customers' operations. As a team, we help identify end user needs in partnership with a trusted distributor to build a safety program that protects people, manages inventory and rationalizes costs.

### Third party testing:

Our commitment is to have BDG products tested and claims verified by third party laboratories based on industry standards including ANSI, EN, CE, and ISO. We strive to certify our claims; being a company that is trusted and honest is important to us.

### Manufacturing capabilities:

Our owned and operated manufacturing capabilities allow BDG to design and customize a range of personal protective equipment (PPE) to suit our customers' needs. Along with our international manufacturing, we have in-house Canadian made and soon to come USA made products available.

### Commitment to distribution:

From the inception of BDG, our mandate is to sell our products through our distribution partners. Leveraging on what distribution does best allows us to do what we know best - and that is to make and supply quality gloves and PPE.

### Genuinely North American:

With locations and coverage in the United States and Canada, our company has grown from a Canadian-based operation to a true North American PPE Supplier. Our goal is to expand into all markets and regions across the countries we service.
