

BLOW GUNS

Typhoon[®] Blow Gun

**The Ultimate Blow Gun!
High Flow! Maximum Power!**

The Typhoon is Coilhose's most powerful standard blow gun, delivering up to 34 CFM and over three pounds of thrust at 125 PSI. The Typhoon is ideal for heavy-duty clean-up and blow-off, and its light weight and sleek design make this gun a favorite.

- Delivers up to 34 CFM at 125 PSI
- Lightweight and ergonomic
- Variable flow trigger for control
- Maximum flow for easy clean-up and blow off

*Wide Variety of Tips
& Extensions Available*

CEG-1[®] COILHOSE ERGONOMIC GUN Blow Gun

More Thrust - Greater efficiency - Increased Comfort

The CEG-1 is ergonomically designed to fit the natural contour of the user's hand, maximizing comfort even during long-term use. This gives the user a wider range of motion to direct the additional CEG-1 working capacity right where it's needed, resulting in increased blow-off efficiency.

- Ergonomically designed for maximum user comfort
- High flow tip for superior air flow
- Full size hanging hook for easy storage
- Thermoplastic body cover

*Full Range of
Extensions Available*

COILHOSE CANNON[®]

The Cannon Extreme High Volume Air Blow Gun uses the compressed air from your tow-behind compressor to clear heavy, stubborn debris.

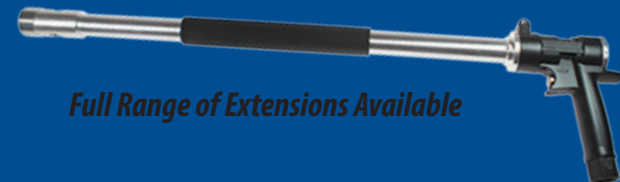

Cannon with Safety Nozzle
Air consumption = 135 CFM at 100 PSI

Cannon with Multi-Jet Nozzle
Air consumption = 120 CFM at 100 PSI

- Clears surfaces of dust and debris; cleans and dries heavy equipment quickly and safely
- Uses compressed air from tow-behind compressors, common on job sites

Full Range of Extensions Available

BLOW GUNS

REDI BURST™ POCKET BLOW GUN

The Blow Gun that's **Already** with You™

Same Power...Fits in your pocket!

The Redi-Burst Pocket Blow Gun delivers the same performance as larger thumb-lever blow guns, but is much smaller. The Redi-Burst Pocket Blow Gun requires less storage space in a tool box and is portable enough to keep in a pocket or on a tool belt. Accepts all standard 1/8" Coilhose Pneumatics blow gun tips.

- Easily stores in pocket, tool belt or tool box
- Designed for user comfort
- Engineered to deliver the same performance as larger blow guns
- Accepts Standard 1/8" Blowgun Tips
- 1/4" npt female thread

600 SERIES

The 600 Series Blowguns are thumb-lever style blowguns with an ergonomic shape. 600 Premium Series has a premium black finish for superior corrosion resistance

640 SERIES

The 640 Series is designed to be installed on a hose, this blowgun is always ready. Great for use at autobody shops with DA Sanders

660 SERIES

The 660 Series is the classic button blowgun with a compact, ergonomic design. The black coating provides enhanced corrosion resistance.

700 SERIES

The 700 Series is a dependable, durable, and timeless pistol grip blowgun with a vinyl grip that provides enhanced comfort.

770 SERIES

The 770 Series is a lightweight polymer pistol grip blowgun with a variable flow trigger for enhanced control.

- Tough Die Cast Zinc Bodies
- Accepts Standard 1/8" Blowgun Tips
- Maximum Inlet Pressure: 150 psi
- 1/4" npt Inlet

All Extensions & tips are compatible with the 600,700 and 770 series of blow guns with 1/8" threads
