SMART Diamond-Plate

Group 497

SMART Diamond-Plate took the matting world by storm when we introduced it in 2009 and it is now one of our most popular sellers! How did this happen? To paraphrase the old Spike Lee commercial... "It Must Be the Sponge!" SMART'S 100% recycled polyurethane composite sponge combines economy and ecology like no other ergonomic matting product. And at a price point that no other laminated diamond plate mat can touch! SMART offers a dynamic combination of resilience, durability, and aesthetics that makes it a fan favorite. It is an MVP with an unbeatable reputation for performing best under pressure and in big-game situations. SMART Diamond-Plate is just what you need in today's challenging workplace.
