

**Model: EP150 Shooting Star
Series of Protective Eyewear**

EP150C

Description:

EP150 Shooting Star series has an ergonomic design with a Flexi-Fit adjustable soft nose piece for a better fit. It is equipped with a robust frame made of Polycarbonate material. Lenses are treated with the exclusive 4A coating (Anti-Scratch, Anti-UV, Anti-Static & Anti-Fog). The EP150 Shooting Star series protects against dangerous UV rays. It offers the option of two lens colors (Clear & Smoke).
