

## Model: EP209 & EP4209 Dyna-Star Classic Series of Welding Helmets

EP4209S10AD  
with HP841R  
hardhat

EP209B10AD

### Description:

The Dyna-Star Classic (EP209 & EP4209) series has a sleek modern design. Its extended crown provides greater overhead protection. This series comes with a narrow chin & neck area allowing a maximum head movement. It offers the option between two shell colors (Black & Silver). Additionally, it offers a 5.25" x 4.5" window with the option between two ADF lenses (fixed shade 10 or variable shades 9-13). The Dyna-Star Classic offers a well balanced, lightweight and ergonomic welding solution.

Product Number	Description	Order Multiples	Case Quantity
EP209B10AD	Head-mounted, Ratchet suspension, Black shell, ADF fixed shade 10	1	1
EP209S10AD	Head-mounted, Ratchet suspension, Silver shell, ADF fixed shade 10	1	1
