

Model: EP500 Curve
Series of Protective Eyewear

EP500C

EP505C

Description:

EP500 Curve series has a popular low-profile shape. Its 9 base curve lens offers better coverage and a wide field of vision. It is made of lightweight, non-conductive, high impact material. Lenses are treated with the exclusive 3A coating (Anti-Scratch, Anti-UV & Anti-Static). The EP500 Curve series protects against dangerous UV rays. It offers the option of four lens colors (Clear, Smoke, Amber & I/O Mirror).
