

Model: EPDGC18 Dyna-Seal
Series of Protective Eyewear

EPDGC18C

EPDGC18C
with
EPDGC18STR

Description:

EPDGC18 Dyna-Seal series has a unique soft rubber gasket for better protection against dust, particle & chemicals. The rubber seal allows for indirect ventilation to eliminates fogging. The frame is equipped with a front angle adjustment for better fit and seal. The temples come with a removeable & adjustable stability strap. Lenses are treated with the exclusive 4A coating (Anti-Scratch, Anti-UV, Anti-Static & Anti-Fog). The EPDGC18 series protects against dangerous UV rays. It offers the option between four lens colors (Clear, Smoke, Amber & IO Mirror). It converts easily into a goggle by adding the Quick-Change strap.
