

Model: EPMK01 Phantom OTG
Series of Protective Goggle

EPMK01A

EPMK01SHIELD
 (including: EPMK01C
 with EPMK01RS)

Description:

EPMK01 Phantom OTG series has a contemporary design offering comfort and performance without neglecting good looks. Its unique style fits over a wide range of prescription eyewear. The EPMK01 comes with a large comfortable soft frame and indirect ventilation to maximize protection against splashes and eliminate fogging. Lens is treated with the exclusive 4A coating (Anti-Scratch, Anti-UV, Anti-Static & Anti-Fog). The EPMK01 Phantom OTG series protects against dangerous UV rays and chemical splashes. It offers the option between four lens colors (Clear, Smoke, Amber & IO Mirror). Optional clear protective shield is available offering complete face protection.
