

**Model: Kilimanjaro  
HP642R**

**Description:**

The Kilimanjaro series (HP642R) of hardhats has a contemporary design with a full brim for extra protection against UV rays and falling debris. It is versatile to fit a variety of users with their variety of applications. The Kilimanjaro series is widely used in harsh environments like mining, oil & gas, and forestry. It is equipped with accessory slots. It also offers a ratchet adjustment, nylon-webbing, 4-points suspension. Its foam liner protects against lateral impacts. The Kilimanjaro series is ideal for environments where vertical and horizontal impact on the head is a risk.
