APPLICATIONS:

Warehouses
Construction
Agriculture
Material handling
General Maintenance
Forklift drivers
Ranching

Endura[®], Grain Fitters Gloves

Endura[®] grain fitter gloves are made from smooth top-quality cowgrain for durability, dexterity, plus oil and water resistance. They stand up to heavy-duty rugged wear. Gunn-cut styling features leather palms, fingertips, index finger and knuckle strap to protect against scrapes and abrasion. Cotton backs are elasticized for a snug fit and breathable comfort. Several styles to choose from: lined or unlined palms; and long or short cuffs.
