

Model: EP810 Falcon
Series of Protective Eyewear

Description:

EP810 Falcon series has an exclusive three positions adjustment options for the soft nosepiece. It is also equipped with angle temple adjustments for a better fit. It has a 9.0 base curve lens for extra side protection. Soft nosepiece and co-injected temples prevent slipping and increase comfort. Lenses are treated with the exclusive Dyna-Shield coating (Anti-Scratch, Anti-UV, Anti-Static & Anti-Fog) for better longevity. The EP810 Falcon series protects against dangerous UV rays. It offers a variety of lens colors for a variety of work applications.
