

K-GRIP[®] COATED SEAMLESS CUT RESISTANCE GLOVES

K-Grip[®] Aramid seamless shell with blue textured latex coating on palm and fingertips

- High tensile strength to weight ratio
- Superior comfort
- Highly resistant to abrasion and chemicals providing long-lasting protection
- High cut resistant meets ANSI cut A2
- High energy absorption and low elongation
- Non-slip, breathable
- Colored cuffs for easy size identification
- Durable to last through multiple launderings

K-Grip

TECHNICAL DATA

Material: 100% Aramid shell with latex coated palm and fingers

Color: Yellow shell

Sizes: S-XL

Packaging:

- 1 pair/poly bag
- 1 dozen/bundle poly bag
- 6 dozens/case

INTERNATIONAL STANDARDS: EN 388:
3343, ANSI CUT A2

REGISTRATION NUMBER (RN#): 78713

COUNTRY OF ORIGIN: China

HARMONIZATION CODE (HTS): 6116.10.6500

PERFORMANCE DATA (EN 388)

Abrasion	3
Cut	3
Tear	4
Puncture	3
