

PRODUCT NUMBER: K511

Grip N PVC - K511

Handling of dry and slippery parts.

Honeywell

Overview

Reference Number

K511

Product Type

Gloves

Range

General purpose

Line

Light & medium handling

Brand

Honeywell

Brand formerly known as

NORTH

Industry

- Automotive and Part Manufacturer
- Building and Construction
- General Industry
- Logistics
- Transportation

Product Use

Handling of dry and slippery parts.

Features & Benefits

Feature

Polyester Heavyweight knitted glove PVC dots (N pattern) on both side Elastic cuff, 6cm

Benefit

COMFORT The knitting technique helps to obtain a glove that conforms snugly to the hand and good dexterity. The glove offers maximum comfort and added sturdiness. Non pilling, the polyester fabric is suitable for precision works. The PVC dots on both sides ensure a better grip, an extended life cycle, making it cost-effective, since the glove is ambidextrous.

Technical Description

Description

Polyester Heavyweight knitted glove PVC dots (N pattern) on both side Elastic cuff, 6cm

Product Technology

Knitted

Gauge

7

Glove/liner color

White

Coating Type

PVC dots

Length

25 cm
