

Previously known as: Neptune® Kevlar®

Cut

Medium Duty

## Protective arm sleeves with an automatic knit liner, ensuring contact heat and cut resistance

- **Elevated comfort:** HyFlex® 70-128 arm protection sleeves feature an automatic knit liner made from 100% Kevlar® para-aramid short fibers, ensuring dexterity and superb comfort levels
- **Advanced defenses:** These protective sleeves also deliver heightened cut resistance and are ideal for applications requiring contact heat resistance, as they offer protection up to 100°C/212°F
- **Varied sizing options:** In addition, they are offered in varying length options, ensuring comfortable arm protection for all workers' needs

### Industries

- Automotive
- Metal fabrication
- Machinery and Equipment

### Applications

- Press shop operations
- Assembly & inspection of components
- Applying sealers, touching up
- Equipment repair & maintenance
- Cutting glasses, sheets, panels
- Seizing structural and body parts
- Adjusting systems and screwing
