

KLEIN-KURVE™

WIRE STRIPPER/CUTTERS

KLEIN TOOLS®

Two New Wire Stripper/Cutters Cut Both Stranded and Solid

Introducing two Klein-Kurve™ wire stripper/cutters designed with double-dipped comfort grips and curved handles. These lightweight, multiple-function tools can cut, strip, loop and gauge both stranded and solid wire, plus cleanly shear 6-32 and 8-32 screws. Features that make these tools easy to work with all day long.

Features
