

3M Science.
Applied to Life.™

Low emissions. High performance.

How do you lessen your environmental footprint while maintaining or improving product quality?

With significantly lower VOCs, 3M™ Low VOC Spray Adhesives are designed to deliver the performance you've come to expect from 3M aerosols and also help you adjust to changing environmental and operational needs. These products meet CARB/OTC VOC requirements, are GREENGUARD Gold Certified and can help contribute to LEED® credits.

Great performance. Trusted by Professionals.

Product	UPC	Description
