Ratcheting Wrenches

QUICKRATCHET™ TOOL SETS

Convenient lightweight, compact tool set to work on multiple types and sizes of fasteners. Flexible handle, slim heads and short sweep ratcheting wrench heads all help make it easy to work in tight spaces where conventional drive tools can't reach. Precise positioning head rotates through 180 degrees with 15 locking positions every 12 degrees. Change wrench sizes by easily changing wrench heads. Sets are forged from high-quality chrome vanadium steel and have a high-polish chrome finish and a bi-material cushion-grip handle. Carry lightweight heads instead of heavier complete wrench set.
