

## Diagonal Cutting Pliers, High-Leverage, Angled Head, 8-Inch

These Klein Tools 8-Inch Diagonal-Cutting Pliers have short jaws with an angled head design for easy use in confined areas. The high-leverage design allows for the semi-flush cutting knives to cut Cherry Burrell rivets. They are made of US-made steel with a hot-riveted joint to ensure smooth action and induction-hardened cutting knives for durability. For use on non-ferrous wire only.
