

## Bradycone™ Warning Cones System

- Bradycone™ Warning System is the perfect solution for your indoor or outdoor hazardous warning needs
- Cones are designed to communicate temporary slip, trip and fall hazards
- Cones are light weight, portable and stackable
- Hazard message is on all four-sides of the cone, so your message can't be missed
- Enhance your message with the Lock-in Sign Frame with pictogram labels

Chain 'locks' into cone notch

Apply label to the 8-1/4" x 8-1/4" frame face

## Bradycone™ Warning Cones

- Stackable for easy storage
- High impact, weather-resistant cones
- Includes notch at top of cone to attach Bradycone chain (sold separately)
