

AIR/WATER HOSE REEL - RETRACTABLE - 3/8" X 50'

Product # 028283 | Model # IAR-3850

This retractable ITC air/water hose reel is ideal for indoor shop and industrial applications. It's rugged and reliable, and the compact design is perfect for a wide range of applications.

- Made from premium quality impact-resistant polypropylene materials
- Positive latching mechanism locks hose at desired length
- Hybrid polymer hose helps eliminate kinks
- Includes 180-degree integrated wall and overhead swivel bracket
- Includes 36" inlet hose

TECHNICAL SPECIFICATIONS

Application	Air/Water
Duty Level	General Duty
Hose Length (ft.)	50
Material	Polypropylene
Max. Operating Pressure (PSI)	300
Max. Temperature (°C)	100
Max. Temperature (°F)	210
Min. Temperature (°C)	-10
Min. Temperature (°F)	14
NPT Fitting Size (in.)	3/8
Special Features	Impact Resistant
