

#505GMB

Iron Wolf™

Deluxe Welding Glove with
HeatStop™ Lining

SEWN WITH
KEVLAR

505GMB

Our Iron Wolf™ 505GMB Deluxe welding gloves feature aluminized Heatstop™ lining in the thumbs and at the back of the hand. A wide, protective strap on the thumb and palm add to the already rugged, yet comfortable, protection afforded by select cowhide splitskin leather. Continuous one-piece backs, leather-welting in all vulnerable seams and Kevlar® stitching throughout, plus full semi-sock thermal-knit cotton lining for comfort and added heat protection. Generous sizing to reduce hand fatigue.
