

Orange Transparent Welding Curtain

Key Features and Benefits:

- Built with grommets for easy hanging
- Durable PVC material resists tearing
- Flame, mildew, and water resistant
- All curtains meet or exceed California Fire Marshall standards or NFPA 701 requirements for flame resistance
- Puts light back into the welding area to help increase worker productivity
- Can be used around MIG, TIG, arc, and plasma operations
- Excellent for use in assembly areas
- Custom size curtains available
