

WISE - BENCH - IRON - JVSG SERIES - 5"

Product # 320313 | Model # JVSG-5

- Strongest cast vise on the market
- Massive castings made of superior quality 80,000 PSI tensile strength SG iron for maximum strength and impact resistance
- Spheroidal graphite (SG) iron forms a much stronger molecular structure than regular cast iron
- Up to 30% higher tensile strength than competing ductile iron vises
- Precision machined hardened steel jaws

TECHNICAL SPECIFICATIONS

Max. Opening 7-1/16"

Jaw Width 5"

Throat Depth 3-11/32"
