

# SWIVEL BAR STOOL

Product # 355151 | Model # JBS-2700

Jet® Tools tool box seats are a great addition to shop table and tool box work areas.

- Design – Ideal for the workplace, the JET Swivel Bar Stool has a chrome tube construction that is durable and looks great in the shop!
- Benefits – With the ideal height for working at the bench or the tool cabinet, this heavy-duty bar stool has a 300-lb weight capacity.
- Comfort – The padded seat has a 3.5" (9 cm) high-density thick foam for maximum user comfort with a sturdy frame to increase strength and durability
- Easy to Clean – The upholstery is resistant to most shop chemicals, making it very easy to clean.
