

# 16" STANDARD DUTY L-CLAMP

Product # 390510 | Model #

JLRD Series L-clamps deliver generous clamping pressure and throat depth for a wide range of applications.

- Tempered drop-forged sliding arm reduces clamping set-up time and is ideal for high-volume production work
- Replaceable spindle and pads available
- Rails, sliding arms, and spindles are heat-treated for strength
- High carbon Acme threaded spindle is spatter resistant
- Nickel-chrome plated rails are heat-formed from cold-drawn profiled steel
- Ideal for industrial, welding, assembly, fabricating, construction and general purpose clamping
