

KNOT BANDED CUP BRUSH - HIGH PERFORMANCE (FOR ANGLE GRINDERS) - 4 X 5/8"-11 NC

Product # 553652 | Model #

- JET knot banded wire cup brushes are similar to a regular knot style cup brush but have the added feature of a band or knock-off ring. This ring helps to eliminate brush flare out, keeping brush tips in contact with the workpiece for a more aggressive brushing action
- As the exposed brush wears down to the ring, it is easily knocked off to expose the balance of the wire for increased brush life
- An excellent safety and performance aid, the band helps to reduce wire breakage caused by flare out * 553607 and 553606 Feature exclusive larger diameter high density knot twisted brushes for 5" and 6" grinders - The industry's most productive brushes for this grinder range

TECHNICAL SPECIFICATIONS
