

STRIKING WRENCH - OFFSET - SAE - 12 POINT - 2-7/16"

Product # 715224 | Model #

- Drop forged steel heat treated for maximum strength
- Offset design allows clearance over work and raises striking surface above ground level
- Flat design gets into tight spaces where offset wrenches cannot reach
- 12 point design allows for twice the number of positions for improved indexing
- Black oxide finish resists corrosion and provides improved grip for safer use
