

NEW - STRIKING WRENCH - FLAT - SAE - 12 POINT - 1-1/4"

Product # 715305 | Model #

- Drop forged high carbon steel resists impact
- Heat treated for maximum strength
- Offset design allows clearance over work and raises striking surface above ground level
- Flat design gets into tight spaces where offset wrenches cannot reach
- 12 point design allows for twice the number of positions for improved indexing
- Black oxide finish resists corrosion
- Meets US Government standard GGG-W-636E and ANSI B107.100-2010
