

5-PIECE NO-DRILL IMPACT DRIVER SCREW EXTRACTOR SET

Product # 720751 | Model # NDSE-5S

- Patented design eliminates the need to drill a hole before extracting screw
- Coarse threads bite into screw and loosen it with each blow of impact driver
- Heat-treated SAE6150 chrome vanadium steel withstands repeated use
- Fits JET impact drivers and competitor's models with 5/16"-drive bit adapter
