

72" X 24" HD SERIES 20 DRAWER ROLLER CABINET

Product # 842631 | Model # HDRC7220

- The New Standard for Professional tool storage!
- Double wall 18 gauge steel construction with 14 gauge reinforced bottom channels withstands the heaviest loads
- Riveted aluminum moldings protect box corners from impact and increase rigidity and strength
- Extra generous 21-1/2" depth provides increased storage capacity (24" on 72" cabinet)
- 120lb capacity ball bearing slides on all drawers for smooth, easy operation even when heavily loaded
- Select drawers with 2 sets of slides to accommodate heavier loads – up to 240lbs
- Soft-Close drawer slides prevent slamming the drawers closed, keeping tools organized and ensuring drawers are completely closed before locking or moving tool box
- Extruded aluminum drawer pulls ensure positive grip when opening heavily loaded drawers
- Extra large diameter tubular side handle can be mounted on either side of roller cabinet
- Recessed side handles on top chests for a clean, professional look
- Gas shocks support chest lids
- Lowered till height allows easy access to tools in top chests
- USB-powered LED lighting in 41" and 52" top chests
- Power supply management includes 4 AC and 2 USB outlets with switch on all roller cabinets and top chests (6 outlets on 72" cabinet)
- Two additional pass-through grommets on top chests allow for secure overnight charging of power tools
