

HEELSTOP - ANTI-SLIP HEEL TRACTION AID - L

Product # **V6770170-L** | Model # **Heelstop**

Built with the toughest materials, the K1 Series Heelstop is made with ice-penetrating tungsten carbide spikes, TR freeze-resistant rubber, and reflective hi-viz strips.

- Ice-penetrating tungsten carbide spikes cover the entire heel for maximum slip resistance
- Freeze-resistant industrial quality TR rubber remains flexible even in the most extreme cold weather conditions
- Reflective strips provide added safety when working in low lit working environments
- Easy to attach and remove with convenient Velcro straps
- Unique design allows driving and climbing without interference
