

UltraLED™ MICRODISK™

- Quick connect-5VA fire-rated junction box eliminates need for recessed can
- CRI of greater than 90 ensures a high quality of light
- This product is available in two sizes, four wattage/lumen packages, two voltage ranges and five kelvin temperatures
- Offers up to 92% energy savings when compared to traditional technologies
- Supported by a five year warranty and rated at 50,000 hours (L₇₀)

1" thin design allows for installation directly under joists
