924 Memphis Multitask Multi-Task Specification Sheet

PRODUCT DESCRIPTION:

All of us are called to multi-task at our jobs. You need a glove that will stand up to the rigors of the grease and grime. Our Memphis Multi-Task gloves will give you the grip, durability and protection you need for anything your boss can throw at you. The 924 features a black synthetic palm with foam padding and black PVC grip on palm and fingertips. Red/black/white fabric back, black terrycloth thumb, and hook and loop adjustable wrist closure. Two LED lights are included with each pair. The 924WW is a rugged multitask style camo glove that will make you proud. It features a synthetic patch palm with foam padding to help protect your hands. It also features two high density LED lights that attach to the gloves to help light your way in lower light environments. Through this glove you can help support the Wounded Warrior Project. The Wounded Warrior Project is a non-profit organization that provides programs and services to assist injured veterans during their recovery and rehabilitation. MCR Safety is a proud sponsor of the Wounded Warrior Project. A percentage of sales from our digital camo safety gear will be donated to this program.
