CP14R MCR Guard Unsupported Specification Sheet

PRODUCT DESCRIPTION:

MCR Guard has been battle tested in conflicts around the world and offers excellent permeation resistance to most acids, aldehydes, alcohols, amides, bases, esters, and ketones. These gloves are produced domestically with a unique solution dipped process. No other process can achieve such a tight molecular structure, the key to chemical impermeability. MCR Guard is made with the finest Butyl rubber for outstanding protection. The CP14R is a 14 mil textured finish glove that features a rolled cuff and is 14 inches in length for added protection.

FEATURES:

- Excellent Chemical Resistance
- 14 inch Gauntlet
- 14 mil textured finish

APPLICATIONS:

First responder, Laboratory Technician, Aerospace, Agriculture, Biomedical, Food, HazMat
