EYE & FACE PROTECTION

Fuse[®] Safety Eyewear

Sporty metal style

The Fuse safety eyewear delivers exceptional coverage with both style and comfort. The 9-base wrap-around design provides optimum field of vision without distortion. The gunmetal frame is lightweight and durable for all-day wear. Adjustable saddle nose pads and soft flexible temple tips provide a comfortable fit. Lenses are made from optical grade polycarbonate with a protective hardcoat to maximize the life of the eyewear. Clear and TSR[®] Gray lens options are also available with Fog-Ban[®] anti-fog coating to prevent fogging. A great metal frame style at a knockout price.
