- Breathing tubes
- Cartridges and/or filters

Packaging Information

Includes blower and battery assembly, backpad and belt.

Hazardous Materials

Lithium Ion battery. Refer to local regulations for shipping information.

Overview

Key Features

Available with 34" and 40" breathing tubes. PAPR assembly features a triple alarm system to alert user of low battery and low flow. This versatile PAPR can be used with North tight fitting facepieces and hoods. PAPR can be used with facepieces

or hoods. Sensor adjusts flow to meet OSHA and CSA requirements. Standard backpad with nylon belt or decon version with PVC belt. Triple alarm system provides vibratory, visual and audible alert - lets users know when there is low flow or low battery even in noisy environments or when users are distracted.

North

Warranty Information

Honeywell Safety Products warrants the Compact Air 200 Series to the original owner to be free from defects in materials and workmanship for a period of one (1) year from the date of original shipment from Honeywell's factory. Honeywell's obligation under this warranty will be, at Honeywell's option, to repair or replace without charge this respirator or any of its components found by Honeywell to have been defective during the warranty period, under the following terms: 1) The warranty claim is made (i) by the owner who purchased this respirator new from Honeywell or an authorized Honeywell Distributor, and (ii) not more than three (3) months after the end of the warranty period. 2) This respirator or component is found by Honeywell to have been defective in normal use and service during the warranty period of one (1) year from the date of purchase by the owner. 3) This respirator or component is returned freight prepaid to Honeywell, either to its factory or to a Honeywell authorized service center, and is thereafter returned to the owner freight collect. 4) This warranty does not apply to (i) any respirator or component found by Honeywell to have become defective as a result of any accident, alteration, misuse, abuse, or servicing with parts not approved by Honeywell; or (ii) deterioration or aging of any component made of rubber or other elastomer since such components can be adversely affected by undue exposure to heat, sun, water, chemicals, ozone or other deteriorating elements; (iii)) facepiece lens, compressed-air cylinders and parts that become defective through normal use. The decision as to what constitutes normal use shall be made solely by HONEYWELL SAFETY PRODUCTS. 5) To maintain this warranty, the purchaser must perform maintenance and inspections as set forth in the Instruction Manual which shall include prompt replacement or repair of defective parts, and replacement of parts per the maintenance schedule as set forth in the User's Instructions. THE OWNER ASSUMES ALL OTHER RISKS, IF ANY, SUCH AS THE RISK OF ANY DIRECT, INDIRECT OR CONSEQUENTIAL LOSS OR DAMAGE ARISING OUT OF THE USE OF, OR INABILITY TO USE, THE PRODUCT. SERVICING HONEYWELL SAFETY PRODUCTS RESPIRATORS WITH PARTS NOT APPROVED BY HONEYWELL WILL VOID THIS WARRANTY AND THE NIOSH APPROVAL FOR THE RESPIRATOR UNIT. THIS WARRANTY IS MADE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED AND MAY NOT BE VARIED OR EXTENDED EXCEPT IN WRITING BY AN AUTHORIZED OFFICIAL OF HONEYWELL SAFETY PRODUCTS
