Description and Performance:

The PeakWorks Compliance Harness is a sure fit full body harness with durability, comfort and high visibility color at a reasonable price. It's fully adjustable design features 3 points of adjustment for maximum comfort. Quick connect buckles located at the chest and legs make it easy for donning. A fall indicator makes it easy for before use inspections. Large forged D-Ring makes for easy lanyard connection. Each part is thoroughly tested during the product development stage and is batch tested to confirm conformance.

Warnings: See Operating and Maintenance Instruction Manual for details.
