

# PIG® Absorbent Mat Roll in Dispenser Box

MAT226 Lightweight, 10" x 100', 2 rolls

PIG Mat lasts 2x longer than ordinary mats for fewer change-outs. Absorbs everything. Works everywhere.

- Lasts 2X longer than ordinary mats for fewer change-outs, absorbs everything, works everywhere; that's why more plants worldwide use PIG Mat than any other brand
- Eight layers of 100% polypropylene are thermally bonded to make PIG Mat the strongest mat on the market; won't rip, tear or fray even when saturated
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Highly absorbent, fine-fiber construction won't leave liquids or fiber residue behind
- Absorbs most common industrial liquids - oils, water, solvents, coolants and more
- Absorbed leaks and drips blend right in; dark gray color hides grime so mat stays on the job longer
- Flame-resistant material won't burn immediately like cellulose mats; melts when exposed to high heat while on the job
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Dispenser box makes it easy to take, carry and store your mat while protecting it from dirt and moisture
- Rolls are ideal for covering large areas and soaking up leaks and overspray
- Easy-tear perforations let you take only what you need, so you use less mat and save money
- Light-weight construction is ideal for small tasks and cleanups
