

PIG® Rip-&-Fit® Absorbent Mat Roll

MAT243 Heavyweight, 15" x 150', 1 roll

Extra perforations let you customize PIG Mat to the shape you need. Just "rip" it along the easy-tear perfs and "fit" it into place.

- Lasts 2X longer than ordinary mats for fewer change-outs, absorbs everything, works everywhere; that's why more plants worldwide use PIG Mat than any other brand
- Extra perforations in our Rip-&Fit Mat allow you to easily "rip" this PIG Mat and "fit" it to your application without cutting
- No matter how you rip it, this mat features the proven eight-layer, 100% polypropylene construction of PIG Mat, the strongest mat on the market!
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Highly absorbent, fine-fiber construction won't leave behind liquids or fiber residue
- Absorbs most common industrial liquids - oils, water, solvents, coolants and more
- Absorbed leaks and drips blend right in; dark gray color hides grime so mat stays on the job longer
- Flame-resistant material won't burn immediately like cellulose mats; melts when exposed to high heat while on the job
- Perforated every 3.75" across width and every 10" across length
- Heavy-weight construction delivers greater durability and absorbency for demanding tasks and large-volume cleanups
