

PIG® Green Ham-O® Absorbent Mat Roll

MAT269 Heavyweight, 32" x 150', 1 roll

Distinctive Ham-O top conceals absorbed leaks and drips. Scuff-resistant top layer stands up to foot traffic in aisles and walkways.

- Lasts 2X longer than ordinary mats for fewer change-outs, absorbs everything, works everywhere; that's why more plants worldwide use PIG Mat than any other brand
- Absorbed leaks and drips blend right in; Exclusive "hamouflage" top layer saves on product and disposal costs; absorbed grime is invisible, so you'll leave mat in place longer and save money!
- Fast-wicking dimple pattern transfers liquids from the top layer into the absorbent inner layers; spills disappear in seconds
- Tough, scuff-resistant, spunbond top layer stands up to heavy foot traffic; won't rip, tear, fray or create a trip hazard, even when saturated
- Under the Ham-O top layer is the proven eight-layer, 100% polypropylene construction of PIG Mat, the strongest mat on the market!
- Absorbs most common industrial liquids - oils, water, solvents, coolants and more
- Flame-resistant material won't burn immediately like cellulose mats; melts when exposed to high heat while on the job
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Rolls are ideal for walkways and large areas to soak up leaks and overspray
- Easy-tear perforations let you take only what you need, so you use less mat and save money
- Heavy-weight construction delivers greater durability and absorbency for demanding tasks and large-volume cleanups

Specifications

Fluid Absorbed	Oils, Coolants, Solvents, Water
Special Feature	Camouflage Pattern
Color	Green Ham-O

Dimensions	32" W x 150' L
Recycled Content	25% or more Recycled Content
Absorbency	Up to 47.4 gal. per bag
Absorbency per	Up to 47.4 gal. per roll
Durability Level	Heavy Foot Traffic
Mat Weight/Absorbency Level	Heavyweight
Perforated	Perforated Every 10" Lengthwise
Sold as	1 roll per bag
Weight	36 lbs.
# per Pallet	12
Composition	Polypropylene
UNSPSC	47131901
UV Resistant	No
Pigalog® Page Number	Page 27

Metric Equivalent

Absorbency per	Up to 179.4 L per roll
Absorbency	Up to 179.4 L per bag
Dimensions	81.3cm W x 46m L
Weight	16.3 kg
