

## PIG® Brown Oil-Only Absorbent Mat Pad in Dispenser Box

MAT540 Heavyweight, 15" x 20", 100 pads

Lasts 2x longer than ordinary mats for fewer change-outs, while only absorbing oil and fuels, NOT water. Loves oil. Hates water. Brown color looks cleaner, longer.

- Brown color looks cleaner, longer, by blending in with most environments for both indoor and outdoor use; hides grime, so mat stays on the job longer
- Eight layers of 100% polypropylene are thermally bonded to make PIG Mat the strongest mat on the market; won't rip, tear or fray even when saturated
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Highly absorbent, fine-fiber construction won't leave behind liquids or fiber residue
- Absorbs oil and fuels, NOT water
- Floats to clean up spills on water
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Flame-resistant material won't burn immediately like cellulose mats; melts when exposed to high heat while on the job
- Dispenser box makes mat easy to access, carry and store while protecting contents from dirt and moisture
- Pads are ideal for catching drips and soaking up spills
- Easy-tear perforations let you take only what you need, so you use less mat and save money
- Heavy-weight construction is highly durable and absorbent for demanding tasks and large-volume cleanups
