

# HI-VIS COOLPASS® LONG-SLEEVED SAFETY SHIRT - CHEST POCKET - HI-VIS YELLOW/GREEN - L

Product # V1052261-L | Model # 6905A

The ultimate in comfort and safety, Pioneer® Hi-Vis long-sleeved safety shirts feature ultra-breathable CoolPass® technology that provides a cooling layer for hot weather conditions while also providing 50+ UV protection.

- **Material** – Designed with an ultra-breathable CoolPass® fabric to allow air to flow through easily, keeping you cooler while wicking away moisture
- **Design** – Utilizing vibrant high visibility colours that work together with the sleek zebra style reflective tape, these long-sleeved safety t-shirts are perfect for worksites or any recreational activities
- **Features** – These shirts are specially treated to provide an ultraviolet protection factor (UPF) of 50 for sun protection. In addition, the rib V-neck shirts can be worn in combination with other safety vests for optimal visibility and maximum safety
- **Certified** – These high visibility safety shirts provide you with ANSI/ISEA 107-2020 Class 3 Type P and R standards and CSA Z96-15 Class 2 Level 2 certified. Providing long-lasting value, they are compliant with other protective safety gear
