

# HI-VIS BRIGHT SAFETY CARGO PANTS - COTTON TWILL - HI-VIS ORANGE - 44X34

Product # **V2120250-44X34** | Model # **4462**

The Pioneer® Hi-Vis Orange 100% Cotton Bright Safety Cargo Pants made from 100% cotton twill are lightweight, comfortable, and breathable. The pants incorporate cargo and slit pockets along with a hammer loop on the waistband. Outfitted with StarTech® reflective tape for enhanced visibility in low-light conditions.

- **Material** – Made from 100% cotton twill material, these cargo pants are breathable, lightweight, and designed as the ultimate high visibility work pants
- **Visibility** – Double-sewn with 4" StarTech® reflective tape, these work pants provide high visibility (200GSM) and mobility while maintaining quality and a durable construction
- **Features** – To improve user experience, these pants have 2 cargo pockets with multiple slots on both side of the legs, along with 2 denim-style back pockets and 2 front waist pockets. Added utilities include hammer loops and a belt loop on the waist band
- **Certification** – These high visibility work pants meet ANSI/ISEA 107-2020 Class E supplemental type and CSA Z96-15 class 3 level 2 when worn with CSA class 2 top featuring reflective armband, making them compatible with other protective gear
