

FLASH-GARD® HI-VIS FR/ARC-RATED WELDING COVERALLS - TALL - NAVY - 44

Product # **V2540491T-44** | Model # **4481T**

Offering protection from flash fire, arc flash, and welding sparks, these welding coveralls deliver comfort, functional styling, and peace of mind when performing in potentially hazardous working conditions.

- Made of premium materials that are comfortable to wear while providing protection from flash fire and electric arcs
- Suitable for welding techniques and work situations that cause small amounts of sparks and droplets of molten metal and low radiant heat
- Stand-up collar with hook and loop closure for maximum protection from welding sparks
- 7 storage pockets: 2 back, 2 chest, 2 side, and 1 tool provide unsurpassed versatility
- Leg zippers with hook and loop leg adjustment provide easy donning and doffing
- Heavy-duty two-way FR zipper front with concealed placket and snap closure
- Premium StarTech® reflective tape provides maximum visibility even in low-lit working conditions (models 4481/4481T)
- Adjustable wrists and ankles provide a more custom fit
- Flame resistance guaranteed for the life of the garment
- Industrial washable up to 25 washes (wash at up to 60°C)
