

"THE ROCK" FR-TECH® HI-VIS 88/12 7 OZ FR/ARC-RATED COVERALLS - INDUSTRIAL-WASH TOUGH - ROYAL BLUE - 66 TALL

Product # V254091TA-66 | Model # 7709AT

The Rock ARC-rated coveralls feature FR-Tech® fabric to provide lasting FR protection for the life of the garment. Double-stitched StarTech® reflective tape delivers enhanced visibility in low-light conditions while a rugged cotton/nylon blend provides breathability, comfort, and durability.

- **Material** – Made from a blend of 88% premium cotton and 12% high-tenacity nylon, Pioneer's "The Rock" coveralls are flame resistant, guaranteed for the life of the garment. The material and all components meet CGSB 155.20-2017 and NFPA 2112-2018 standards, certified to UL.
- **Certification** – Giving you long-lasting value, these cotton blended nylon coveralls are CSA Z96-15 Class 3 Level 2 and Class 3 Level FR certified. The coveralls have an Arc Thermal Protective (ATP) value of 10 cal/cm² and an ARC 2 rating with the Average Thermal Protective Performance (TPP) value at 9 cal/cm².
- **Visibility** – Sewn with inherently FR thread, the Pioneer coveralls are double-stitched with 2" StarTech® FR silver reflective tape. The special industrial wash-suitable reflective tape is perfect for construction and allows users to be seen in low-light environments.
- **Pockets** – These coveralls include multiple pockets with 7 total storage pockets (2 back, 2 chest, 2 side, and 1 tool) and 1 radiophone clip strap to accommodate various tools and equipment, making it the ultimate choice for prospective users.
- **Design** – Inclusive of adjustable wrists with snap adjustments and a 2-way FR brass zipper, these coveralls are designed to provide the ultimate comfort to the user, while maintaining a snug fit with elastic on the back and either side of the waistband.
- **Sizes** – Available in high-visibility orange, "The Rock" Pioneer Coveralls are sold in multiple sizes ranging from 36-66.
