

# HI-VIS FLASH-GARD® FR/ARC-RATED WATERPROOF JACKET W/HOOD - HI-VIS ORANGE – S

Product # **V3521650-S** | Model # **5884**

Offering defense from electrical hazards, flash fire, and harsh weather extremes, this insulated PU jacket combines FR and Arc rated materials along with a hi-vis and insulated design to deliver all-around protection in the toughest working conditions.

- Waterproof and windproof design stands up to the harshest weather conditions
- RF heat-welded seams deliver a highly durable, tear-resistant and leakproof design
- 4-way stretch fabric provides greater elasticity and maximum range of motion
- Premium StarTech® reflective tape provides maximum visibility even in low-lit working conditions
- Oil and chemical resistant material designed to offer added protection from job-related hazards
- Made with a full front FR zipper with hook and loop closure storm placket
- Features an extra-large detachable 3-piece hood with reflective stripe and visor flap
- Double vent holes in underarm allow removal of excess body heat
- Draw cord offers simple hood adjustment with or without gloves
- Includes two lower pockets on front with flap and snap closure

## TECHNICAL SPECIFICATIONS
